Appointment Preparation

Please arrive with your hair:

This allows sufficient time for your service and helps achieve the best possible results.

Hair Extensions

Hair is available to purchase as an optional add-on and must be selected at the time of booking where required.

If you choose not to purchase hair through Ksho Hair, you are welcome to provide your own hair, provided it is suitable for your chosen style. If you are unsure which hair is required, please get in touch before booking.

Style Changes

If you wish to change your chosen hairstyle, this must be requested before your appointment begins.

Style changes can only be accommodated where the new service requires the same amount of time or less than the original booking. Requests for more time-consuming styles may need to be rescheduled.

To maintain a comfortable, professional and safe environment, guests are not permitted to attend appointments. As Ksho Hair is a home-based salon, only the booked client may enter the premises unless agreed in advance.
